STOP MOTION

Create beautiful stop motion animated movies anywhere instantly on your device. Everything you need is right at your fingertips. No computer needed. It's simple to use, deceptively powerful and insanely fun to play with. Create fantastic movies your friends will enjoy or share it with the world on YouTube, Facebook and other sites. Cool themes, titles and sound effects are easy to add, too.

1A. Tap for help using this app.

1B. Switch between library and gallery of saved videos.
